8 free worksheets

# More Geometry Worksheets

# Some of my favourite Kindergarten & Grade One Worksheets

# Color by Sides

Count the sides of the shapes and color according to the key.

## Sides

3 = Blue

4 = Orange

5 = Yellow

6 = Red

8 = Green

# Match it

Look at the shapes below, count the sides. Cut them out and glue them in the right box.

**3 Sides**

**4 Sides**

**5+ Sides**

# Fish for squares

Find all the squares and color them in.

# Shape Count

Trace and count up each shape, write the number below.

Write the number counted next to the shapes.

Squares = 

Circles = 

Triangles = 

Rectangles = 

# Color it, Trace it, Draw it

# Count and Graph

Count the shapes below and graph them.

|   |                                                                                     |                                                                                     |                                                                                     |                                                                                      |                                                                                       |                                                                                       |
